This Hanukkah, join Jewish Family & Children’s Services of Southern Arizona and be a light through eight days of giving to support our community’s refugees. Their stories of overcoming adversity to assure a future of security and freedom are not that different from the story of the Maccabees who overcame adversity to assure our security and freedom as Jews.

Each candle in the Hanukkah menorah has a much-needed item. As the shamash, the one who brings the light, collect the items **December 19th - 26th**, one donation or all eight. Drop off to the lobby of **JFCS**, Monday-Thursday, 9:00-5:00, Friday, 9:00-2:00. December 27, 2:00-5:00 p.m. will be a special drop off where you can enjoy Hanukkah treats. The Tucson J and Tucson Jewish Museum & Holocaust Center will also be designated drop off points for donations.
