

POSITION: CLINICAL THERAPIST

ABOUT JFCS

Jewish Family & Children's Services of Southern Arizona (JFCS) is a nonprofit, non-sectarian behavioral health agency that provides specialized therapy, counseling, and social services to the greater Tucson community. For over 76 years, JFCS has helped thousands of children, families, adults and seniors regardless of religion, race, ethnicity, gender, age or ability to pay.

POSITION SUMMARY

The Clinical Therapist will be responsible for performing psychotherapy services including assessment, treatment plan development, crisis and discharge planning as well as individual, group and family counseling. The clinician is responsible for reviewing and signing all clinical documentation in a timely manner. The Clinical Therapist will also act as a clinical consultant to the treatment team as indicated and will collaborate with outside agencies as required in delivering services.

ESSENTIAL RESPONSIBILITIES

- Provide psychotherapy specific to the client's identified treatment needs through individual, family or group therapy. This could include, but not be limited to, trauma-focused treatment, CBT, play therapy and other evidenced-based treatments.
- Provide client advocacy and assistance when appropriate to the client's clinical progress.
- Ensure that each client has appropriate clinical documentation, including but not limited to, clinical assessments, individualized treatment plans, progress notes, crisis plans and discharge plans.
- Meet treatment standards as specified in contracts or special grants, and agency protocols in terms of timeliness of service, number and duration of services provided, and timeliness of paperwork and reporting completion.
- Adhere to agency protocols, legal and contract requirements, and professional standards regarding documentation and electronic record keeping.
- When clinically appropriate, advocate and assist clients in seeking other appropriate services or supports in the community.
- Collaborate with outside agencies when necessary for the treatment of the client.
- Attend weekly supervision as directed by Clinical Supervisor.

WORK HOURS, SCHEDULE & FLEXIBILITY

This position requires flexible scheduling; clinicians are required to work five days a week. To help meet the needs of the clients, clinicians must either: work **two** evenings a week (e.g. 11-8pm), or on Saturdays (Tuesday-Saturday schedule). Clinicians working Saturdays receive incentive pay. Adjustments to an agreed upon schedule will require approval of the Clinical Supervisor or the Vice President of Clinical Services.

REQUIREMENTS

- Master's degree in Counseling, Social Work, Marriage and Family Counseling, or related behavioral health field
- Must be licensed in the State of Arizona (Independent license preferred), eligible for state licensure (i.e., demonstrate having passed the licensure exam or approval by the Arizona Board of Behavioral Health Examiners to take the licensure exam) at the time of hire and obtain licensure within six months of hire.
- Working knowledge of community resources
- Strong written, verbal, presentation and communication skills
- Positive attitude, proactive mentality, responsive, and strong work ethic

Competitive pay structure and excellent benefits. EOE/Disability/Vet.

If you require alternative methods of application or screening, you must approach the employer directly to request this as Indeed is not responsible for the employer's application process.
